Date: 2017

Location: Bristol

Sector: Planning

Corylus were engaged by a client to organise and undertake a consultation event for a planning application for serviced apartments within a prominent location in the vibrant dock area of Bristol city centre. Corylus liaised with key stakeholders in the community and staged a consultation event on a boat within the docks. Following the consultation event, the client commissioned a statement of community involvement and supporting statement which accompanied the planning application which was submitted to Bristol City Council.
